Canvassing Drive to Promote Admissions

19-05-2025

## GOVERNMENT DEGREE COLLEGE (WOMEN)

Marripalem, Koyyuru Mandal, Alluri Sitaramaraju-531118

In an effort to increase awareness and encourage admissions for the academic year, Government Degree College, Marripalem, organized a canvassing campaign under the leadership of Smt. Krishnaveni, Lecturer in English.

As part of the initiative, the faculty visited various intermediate colleges in Narsipatnam, where they actively interacted with students, explained the academic and extracurricular opportunities offered by the college, and distributed informative pamphlets highlighting the courses, facilities, and student support services available.

The visit emphasized the college's commitment to student-centered development, showcasing activities such as skill development programs, career guidance sessions, sports, NSS, cultural events, and opportunities for overall personality growth.

Smt. Krishnaveni encouraged the students to consider Government Degree College, Marripalem, as their next academic destination, assuring them of a supportive learning environment, experienced faculty, and a focus on holistic education.

This outreach effort was well-received by the students and staff of the intermediate colleges, who appreciated the initiative taken by the college to connect directly with prospective learners.

Such canvassing drives not only help in strengthening the college's visibility but also reflect the commitment of the faculty to ensure quality education reaches every corner of the region.

Marripalem degree college history lecturer j.Bhuvaneshwaridevi conducted

As part of the Yegandra 21 Special program, today we organized a yoga session with children at Gaduthuru village in G.madugula mandal.

Through this event, we aimed to raise awareness among children about physical fitness, mental peace, and overall well-being.

Each child participated with great enthusiasm and energy.

The children were introduced to the importance of yoga asanas and inspired to follow a healthy lifestyle.
