AWARENESS PROGRAM CONDUCTED ON SHORT-TERM INTERNSHIP FOR 2 YEAR STUDENT

II-Year Students Participate in Short-Term Internship Program

As part of its commitment to providing practical exposure and career-oriented learning, second-year students of Government Degree College, Marripalem, successfully participated in a short-term internship program during the academic year.

This internship provided students with hands-on experience in real-world work environments, helping bridge the gap between theoretical knowledge and practical application. Students had the opportunity to observe professional settings, understand workplace ethics, and apply the skills they have learned in the classroom.

The program covered various disciplines, allowing students to explore fields related to their area of study and career interests. The experience proved to be enriching and insightful, equipping them with confidence and clarity about their future career paths.

The college acknowledges and appreciates the efforts of the faculty and the Principal Dr. Sudha for encouraging students to take part in such valuable initiatives. The college also thanks the partnering organizations for supporting student development through internships.

AMBEDKAR JAYANTHI 16- 04-2025

Title: Dr. B.R. Ambedkar Jayanti Celebrated with Reverence at GDC Marripalem

Dr. B.R. Ambedkar Jayanti was observed with great respect and enthusiasm at GDC Marripalem on the 14th of April. The program was organized to commemorate the life, ideals, and contributions of Dr. B.R. Ambedkar — the principal architect of the Indian Constitution and a champion of social justice. The event aimed to enlighten students about Dr. Ambedkar's enduring legacy and his role in shaping modern India.

The college Principal, Dr. Sudha, and Vice Principal, Dr. VKT Mahalaxmi, led the celebrations, accompanied by all teaching faculty and students. In her address, Dr. Sudha spoke about Dr. Ambedkar's vision for an inclusive society and urged students to uphold the values of equality, education, and empowerment. Dr. Mahalaxmi highlighted Ambedkar's journey from hardship to becoming a global scholar and leader. The faculty paid floral tributes to Dr. Ambedkar's portrait, and a series of speeches by students added depth and inspiration to the event. The program concluded with a pledge to uphold social justice and dignity — ideals cherished and advocated by Dr. B.R. Ambedkar.

CELEBRATED WORLD'S EARTH DAY IN OUR COLLEGE 22-04-2025

On April 22, 2025, our college celebrated World Earth Day with a series of engaging activities and events designed to raise awareness about critical environmental issues and promote sustainability within our campus community. The day began with an informative keynote address from a local environmental activist, who shared insights on the impact of climate change and the importance of individual and collective action.

Throughout the day, students and staff participated in a variety of workshops focused on topics such as waste reduction, renewable energy, and sustainable agriculture practices. In addition, we organized interactive booths featuring local organizations dedicated to environmental conservation, allowing attendees to learn more about volunteer opportunities and eco-friendly initiatives in the area.

To reinforce our commitment to sustainability, the college also launched a campus-wide recycling challenge, encouraging all participants to reduce their waste and recycle more effectively. We capped off the day with a community-wide clean-up event, where students, faculty, and staff came together to beautify our campus grounds and surrounding neighbourhoods. This celebration of Earth Day not only fostered a sense of community but also empowered everyone involved to take concrete steps toward protecting our planet.
