THE Government Degree College for Women 8 th March 2025

International Women's Day Celebration

The Government Degree College for Women is thrilled to announce a special celebration in honor of International Women's Day, set to take place on March 8th. This event aims to recognize and celebrate the remarkable achievements and invaluable contributions of women across various sectors, including education, science, arts, and community service.

The celebration will feature a lineup of inspiring speeches delivered by prominent female leaders, who will share their personal journeys and insights into the ongoing quest for women's empowerment. Attendees can look forward to engaging panel discussions that delve into critical issues surrounding gender equality, showcasing successful strategies and initiatives that have made a difference in women's lives.

In addition to the thought-provoking discussions, students will showcase their artistic talents through captivating performances, highlighting the creativity and potential of women in the arts. An exhibition will also be set up, chronicling the struggles and successes of women throughout history, providing a powerful visual narrative that reflects their enduring impact on society.

We warmly invite everyone to participate in this meaningful event, which promises to foster a sense of solidarity and inspire future generations. Join us as we come together to celebrate the strength, resilience, and achievements of women everywhere, and work towards a more equitable future for all.

Judge Inspires Girl Students at GDC Marripalem 08-03-2025

Government Degree College, Marripalem had the honor of hosting a distinguished guest recently, as a respected judge visited the campus to motivate and guide the students—particularly the girls. The judge delivered an inspiring speech, emphasizing the importance of education and encouraging the students to aim high in their academic and personal pursuits.

Addressing the gathering, the judge shared valuable advice on how young women can overcome challenges and achieve success through hard work, confidence, and consistent learning. The session was filled with encouragement, wisdom, and a strong message about gender equality and empowerment.

The event was graced by the presence of the college Principal, Dr. Sudha, and Vice Principal, Dr. VKT Mahalaxmi, along with other faculty members who actively participated in the program. The students were deeply motivated by the judge's words and expressed gratitude for the opportunity to interact with such an esteemed personality.

This memorable visit left a lasting impact on the students, inspiring them to dream big and strive for excellence in all spheres of life

Workshop Report: Role of Physics in the Development of Medical Instrumentation

11-03-2025

Workshop Report: Role of Physics in the Development of Medical Instrumentation

The Department of Physics successfully organized a one-day workshop on "The Role of Physics in the Development of Medical Instrumentation" on 9th March 2025. The event was aimed at highlighting the crucial contributions of physics in the field of medical technology and enhancing awareness among students and faculty about recent advancements.

The workshop witnessed the participation of several eminent resource persons and lecturers from various Government Degree Colleges. Notable among them were:

S. Krishna, Lecturer in Physics, Government Degree College, Narsipatnam

Dr. Dwarampur Lakshmi, Lecturer in Physics, Government Degree College, Tuni

Dr. K. Sudha, the principal and Chairperson of the workshop Correspondent

Dr. Kola Srimannarayana Lecturer in Physics was the coordinator of the workshop

The event was convened by Dr. D. Rajbabu, Lecturer in Physics, Government Degree College, Marripalem, who played a pivotal role in organizing and coordinating the workshop.

The sessions covered diverse aspects of physics applications in medical diagnostics and treatment technologies, including imaging techniques, radiation therapy, and biomedical sensors. The interactive sessions and lectures provided valuable insights and fostered academic collaboration among faculty members.

The department extends heartfelt thanks to all participants and contributors for making the workshop a meaningful and enriching experience.

The Department of Commerce at Government Degree College, Marripalem, organized an insightful workshop on "Taxation and Excise Duty" for B.Com

11-03-2025

The Department of Commerce at Government Degree College, Marripalem, organized an insightful workshop on "Taxation and Excise Duty" for B.Com first-year students. The session was graced by Mr. S.V.S..N. Reddy, Manager at Hetero Nakkapalli, who served as the resource person and delivered an informative talk on various aspects of taxation, with a special focus on excise duty.

The workshop was conducted under the guidance of Mr. Shaker, Lecturer in Commerce, and aimed at enriching students' understanding of real-world tax structures and regulations. Mr. Reddy's session included practical examples, legal perspectives, and the impact of excise duty on businesses and consumers.

The event saw active participation from students and faculty alike. Dr. Sudha, Principal of the college, and Dr. V.K.P. Mahalaxmi, Vice Principal, attended the program along with all the college lecturers, lending their support and encouragement to the initiative.

The workshop concluded with an interactive Q&A session, making it a valuable learning experience for all attendees.

Academic Audit

12-03-2025

An academic audit was successfully conducted at Government Degree College, Marripalem for Women, aimed at reviewing and enhancing the academic standards of the institution. The audit was carried out by Dr. Shankar from Government Degree College, Sabbavaram and Dr. Malli Babu from Government Degree College, Chodavaram, who served as the audit officers.

During the audit, all academic records were thoroughly reviewed. The officers appreciated the systematic maintenance of records and provided valuable suggestions for further improvement in teaching methodologies and academic practices. Their insights are expected to contribute significantly to the continuous development of the college's educational environment.

We are proud to announce that the college received an A+ grade in the audit, a reflection of the institution's commitment to academic excellence. The Principal, Dr. Sudha, Vice Principal Dr. VKT Mahalaxmi, and all faculty members were congratulated for their dedication and efforts in maintaining high academic standards and imparting quality education to

students. The audit process was smooth and constructive, marking another milestone in the college's journey toward academic excellence.

Anti child marriages Program Conducted

15-03-2025

A highly successful informative program was recently conducted, dedicating significant attention to the pressing issue of child marriage. The program aimed not only to highlight the challenges associated with child marriage but also to explore effective strategies for addressing and preventing this urgent social concern. Through a series of engaging discussions, expert presentations, and interactive workshops, participants gained valuable insights into the factors contributing to child marriage, as well as the long-term consequences it has on individuals and communities. Additionally, the program emphasized collaborative efforts among stakeholders, including educators, policymakers, and community leaders, to foster awareness and implement sustainable solutions that empower young people and protect their rights.

WORLD CONSUMER RIGHTS DAY

15-03-2025

World Consumer Rights Day is an important annual event dedicated to raising awareness about consumer rights and advocating for their protection on a global scale. Observed on March 15th each year, this day serves as a crucial reminder of the necessity for consumers to be informed, empowered, and treated fairly within the marketplace.

Activities and campaigns are organized worldwide to address a wide range of pressing issues that affect consumers, including product safety, transparent pricing, and access to effective channels for seeking redress in case of grievances. Throughout this day, organizations and advocacy groups conduct workshops, seminars, and public awareness campaigns aimed at educating consumers about their rights and promoting responsible consumer behavior.

By highlighting these critical aspects, World Consumer Rights Day not only strengthens the voice of consumers but also encourages businesses and policymakers to prioritize consumer welfare, ensuring that everyone has the opportunity to make safe and informed choices.

In the selection process for the teams, the softball group chose one standout main player who exhibited exceptional skill and teamwork. Meanwhile, for the baseball team, they designated one main player known for their strategic gameplay and leadership on the field, along with a standby player who will be ready to step in if needed. This approach ensures both teams have strong representation and a reliable backup for the upcoming matches scheduled for March 19, 2025.

POLICE VISIT C I GARU

20-03-2025

An awareness program on the Protection of Children from Sexual Offences (POCSO) Act was held at Government Degree College, Marripalem under the guidance of the Circle Inspector of Koyyuru District, ASR District. The session aimed at educating girl students on the importance of self-protection and the legal provisions available to safeguard their rights.

The Circle Inspector addressed the students and explained the key aspects of the POCSO Act. He emphasized the importance of being aware of one's surroundings and encouraged the students to report any inappropriate behavior or suspicious activity. His inspiring words urged the girls to be vigilant, confident, and proactive about their safety.

The program was attended by the College Principal Dr Sudha Vice Principal Dr VKT Mahalakshmi and all the faculty members, who also took the opportunity to speak to the students about personal security, self-awareness, and building a safe environment in and around the college campus. The event proved to be highly informative and empowering, leaving the students more aware and equipped to handle challenges related to personal and social safety.

ప్రపంచ కవితా దినోత్సవం సందర్భంగా

21-03-2025

World Poetry Day is celebrated annually on March 21st, a day dedicated to honoring the remarkable and transformative power of poetry across cultures and generations. This observance encourages individuals to appreciate the artistry of poetic expression and to explore its ability to convey profound emotions, ideas, and stories. Schools, literary organizations, and communities around the globe engage in various activities, including poetry readings, workshops, and contests, to inspire creativity and foster a love for the written word. By highlighting both classical and contemporary poets, World Poetry Day serves as a reminder of the importance of poetry in shaping our understanding of the human experience and connecting people through shared narratives.

On the occasion of World Water Day

22-03-2025

World Water Day will be observed on March 22, 2025, an annual event dedicated to highlighting the vital role of freshwater in sustaining life on our planet. This day aims to promote awareness about the global water crisis and the importance of sustainable management of this precious resource. It serves as a crucial platform for governments, organizations, and individuals to engage in dialogues and initiatives that advocate for equitable access to clean and safe water for all communities.

The observance encourages collective action to address pressing water-related challenges, such as pollution, over-extraction, and inadequate infrastructure, which impact millions of people worldwide. By emphasizing sustainability, innovation, and responsible consumption, World Water Day inspires a global movement towards preserving our water resources for future generations. Engaging activities and campaigns are organized to foster collaboration among stakeholders and empower local communities to take charge of their water management strategies, ultimately working towards a world where clean water is accessible to everyone.

Blood Donation Camp Organized by Red Ribbon Club at GDC Marripalem

On 26th February, a successful Blood Donation Camp was organized at Government Degree College, Marripalem. The initiative was led by the Red Ribbon Club of the college, which played a pivotal role in coordinating the event. The program was graced by the presence of Dr. Sudha, the Principal of the college, who encouraged students and staff to participate actively in this noble cause. Esteemed members including Dr. Raja Babu, Dr. Krishna, and Dr. Srividya extended their valuable support and medical expertise to ensure the smooth conduct of the camp. Special thanks to Dr VKT Mahalaxmi the vice principal of the college for her significant contribution in facilitating the event. The faculty members, along with enthusiastic student volunteers, came forward in large numbers to donate blood, showcasing the spirit of social responsibility and community welfare. The event highlighted the importance of voluntary blood donation and aimed to instill a sense of service among students.
